

LAND BANKING SALE # 202
W $\frac{1}{2}$ NW $\frac{1}{4}$, SECTION 36, T27N, R23W
FLATHEAD COUNTY, MONTANA

Take U.S. Highway 2 West to Kila, Montana; turn off Highway 2 onto Kila Road. After approximately 1.5 miles turn left on Smith Lake Road for less than $\frac{1}{4}$ mile to a Y junction; bear to the right on Browns Meadow Road. Continue on Browns Meadow Road roughly six miles to Haskill Mountain Lookout turnoff, USFS Rd. No. 2984. Keep on USFS Rd. No. 2984 for ± 1.8 miles. Park at the temporary logging road turnout on right, hike ± 1.2 miles on logging road to open area landing. Note: if logging road is open proceed with caution, give logging trucks right-of-way and park well off the road.

Begin at the northwest property corner, which is a USFS brass cap stamped Sections 36, 35, 26 & 25 and located northwest of logging area landing. The north boundary line is flagged with pink and blue ribbon, aligned with periodic steel posts with red painted tops to the northeast corner of State parcel, identified with a 5/8" plastic cap survey pin stamped Block 7918-S.

Continue south, $\frac{1}{2}$ mile along the easterly boundary, which is flagged with pink flagging; there is a 1/16 corner midway marked with a red steel post, with a 5/8" plastic cap survey pin stamped Marquardt 2989 ES. The southeast corner of the State parcel is marked with a red steel post indicating the approximate corner location.

Continue west, $\frac{1}{4}$ mile along the southerly boundary, which is flagged with pink ribbon on an approximate line location and periodic approximate line trees marked with blue paint. The southwest corner of State parcel is a USFS Brass Cap stamped W $\frac{1}{4}$ Corner Section 36.

Continue north, $\frac{1}{2}$ mile along the westerly boundary line, which is brushed and marked with USFS Carsonite Boundary Markers and 5/8" aluminum caps stamped with property line boundary.
